Dear Frank:

Here for your information is a copy of my letter to [redacted]
[redacted] confirming the FBIS proposal made during my recent
visit to Cologne. The estimated cost is somewhat higher than we had
discussed [redacted] but we only intend
to charge for actual costs which may turn out to be less.

FBIS will initiate MODE action in order to obtain State Depart-
ment and Embassy approval as soon as we have an affirmative response
[redacted] Rigid procedures require that this action be
kept in Agency headquarters channels to the Department.

[redacted]
[redacted] and I much appreciated the time you [redacted]
[redacted] took to help us during our visit. We were
grateful for the opportunity to talk to [redacted]. Please extend
my greetings to [redacted] when he returns and my regrets that we
were unable to meet with him.

Thanks again for your assistance.

Sincerely,

[redacted]
